

Job offer

Sales support

We offer a position as sales support on a freelance basis with development potential in the direction of consulting or direct sales in full- or part-time (minimum 16 hours per week).

Your task is to identify and contact prospects for our products. In this process you show your counterparts how they can benefit from our talent management solutions while gaining information about the market.

The target group consists of human resource managers, talent management experts and directors of medium-sized as well as large international companies with headquarters in Germany and at least 500 employees.

Qualifications we are looking for

- You are highly motivated, self confident and customer-oriented
- You have business fluent German and English language skills
- You are interested in the subjects HR consulting and talent management
- Preferred location: Berlin
- Experience in the area telemarketing, consulting or sales advantageous
